

# THE FLYING DEER

Inspired by the world's most awarded single malt Scotch whisky Glenfiddich, artist Tadej Oblak has used the bar of five-star hotel Sofitel Legend The Grand Amsterdam as a blank canvas, where each stroke of the brush reveals another story. It is a neo-pop art interpretation based on the characteristic foundations of both Glenfiddich and The Grand, featuring the interplay between classic and modern. The motto of the collaboration between the three icons Glenfiddich, The Grand and Tadej Oblak is 'crown the occasion'.
